Dear Guest,

Your well-being is especially important to us and is our highest priority.
We take our responsibility for allergen and additive labeling seriously every day.

Additives that may be present in our beverage selection:

Colorants (E 100 – E 180) – in non-alcoholic drinks such as lemonades

Sweeteners (E 950 – E 962) – in soft drinks, e.g., Coca Cola Light

Sulfur dioxide / Sulfites – in all wines and sparkling wines

Caffeine – in soft drinks like cola as well as in coffee and specialty teas

Quinine / Quinine salts – in soft drinks such as Bitter Lemon, Tonic Water

Taurine – in Red Bull

Our restaurant manager Thorsten Brück and his team will be happy to advise you – please feel free to ask us.
